Use The “Discovery Method” To Find New Treasures Daily As You Read:

Discover new treasures in the word of God by just asking and answering questions. As you read, begin applying the 5 W's (What? When? Where? How? Why?) to unlock hidden jewels found in each verse. As you discover each answer (psst: google can help ... lol) oh what a mighty fine time you will have, just you and Christ. The pages of the bible will begin to come alive!
